

Become a Doctor Glass Rider and win \$\$\$

With our new “Cash for Podiums” promotion.

In 2011 Doctor Glass is giving back to Australian Road racers by paying Cash for Podiums with its new Cash for Podiums rider program! The new Doctor Glass Rider program offers generous contingency payments for privateer racers by rewarding them with cash prizes for **championship podium finishes**

\$300 for 1st place championship win

\$200 for 2nd place championship place

\$100 for 3rd place championship place

NOTE: Payments are made for championship placings or final overall series placings at the end of the season, **not** for individual race day wins.

Rider Eligibility

Privateer riders who race a motorcycle fitted with Doctor Glass fairings purchased on or after the 11/02/2011 are eligible to register as a Doctor Glass Rider. Registration to the Doctor Glass Rider program is free to all riders. Riders are eligible for only one entry per fairing set.

Approved riders must run 230X20mm Doctor Glass stickers in a prominent position on the relevant bike. Riders must also supply Doctor Glass with a picture of their bike with Doctor Glass fairings, fitted showing the sticker in position. In addition to this, approved riders must also submit Doctor Glass as an entrant name for all the rounds of the relevant series, for example: Steve Smith's entry might look something like “Smithy's Honda/Doctor Glass CBR1000RR”

How do I apply?

Riders must register on the form provided within one week of their purchase. This form must be completed in full and only one rider/entry can be registered per fairing set. Doctor Glass will send each registered rider/entry an acceptance letter, which includes a registration number for that entry. This number should be used in all claims and for other correspondence with Doctor Glass.

NOTE: This contingency program does not apply to contracted riders.

Application form:

How many times can I enter?

Riders are eligible to enter **one series per Doctor Glass Fairing set**. So for example, if you wanted to enter for the Hartwell Club Championship and the Interclub Championship, then you would need to purchase two Doctor Glass fairing sets from us and have your registration filled in and sent to us within one week of the purchase.

Do I need to enter at the start of the season?

No, you can apply for registration at any time during the race series that you plan to enter. But you must have your registration completed within a week of your purchase and you cannot register for the same series twice.

How do I claim?

To claim your cash prize for your championship podium finish, simply supply us with your approved event registration number, account details and proof of series placement and we will deposit your prize money directly into your account.

Which events are eligible?

Although we have listed some eligible events below for your reference, we accept applications to all Australian road racing events and review them on a case by case basis. We approve applications based on event size, interest and our ability to be able to confirm genuine championship series winners, so the more information you can provide us the better chance you will have of being approved.

Doctor Glass reserves the right to refuse entry application to certain events, so if you're not sure about your eligibility then you may want to contact us first.

Moto GP and World Superbike support events
(Superbike, Superstock 1000 A & B, Supersport)
